

**20th International Conference for Students and PhD students
"Modern Chemistry Problems"**

Dear colleagues!

The Faculty of Chemistry

of Taras Shevchenko National University of Kyiv

invites *students, PhD students, and young scientists* to participate in

the 20th International Conference for Students and PhD students

"Modern Chemistry Problems"

which will take place on May 15-17th 2019.

The conference will feature the following sections: analytical chemistry, inorganic chemistry, organic chemistry, physical chemistry, macromolecular chemistry.

The conference program will consist of verbal (up to 10 minutes) and poster presentations. Conference proceedings will be published as a collection of abstracts, and participation in the event will be confirmed by a conference participant certificate.

Rules of participation and requirements for presentation abstracts can be found at the conference's website: <http://conference.chem.univ.kiev.ua/> For all questions please contact us at conf_2019@chem.knu.ua

The participation fee is 80 UAH for students and 160 UAH for PhD students.

Final term for registration and sending your abstract: April 26th, 2019

Kind regards, the Organizing Committee
